Dear Editor-in-Chief,

I hope this message finds you in good health and spirits.

I am writing on behalf of Dr. Rovie Cuarte, the principal author of our paper titled "Demystifying the Mitigation Devices in Philippine Presidential Speeches: A Political Discourse Analysis" which was published in Vol. 2 No. 4 (2024) of your esteemed journal- the Journal of Contemporary Philosophical and Anthropological Studies (JCPAS). ***It is with a heavy heart that I convey her request to retract this article.***

Dr. Cuarte is currently navigating some significant challenges within the university, and after thoughtful consideration, we collectively believe that retracting the paper is the most appropriate action at this time. We recognize the seriousness of this request and fully accept responsibility for the implications it may have.

Our commitment to maintaining the integrity and credibility of the academic community remains paramount, and we believe this retraction is necessary to uphold those values.

We kindly ask you to advise us on the appropriate procedures for initiating this retraction. Should you require any further information or documentation, please do not hesitate to reach out.

Thank you for your understanding and attention to this matter.

Sincerely,

Brandon Obenza
